

2008 Cesar Chavez Playspace Fun Facts!

In honor of the legacy and the courageous values of Cesar Chavez, CaliforniaVolunteers and KaBOOM! are teaming up to build nine playgrounds and one skatepark on March 19 and March 29 across California. Thousands of volunteers will devote their time and effort to providing children with a great place to play for years to come!

1 – number of skateparks to be built

9 – number of playgrounds to be built

10 – number of Cesar Chavez murals that will be painted

10 – number of community gardens that will be created

11 – number of 52-foot long trailer trucks needed to haul all the mulch for the playgrounds

100 – number of wheelbarrows needed to move mulch and mix concrete

500 – number of shovels & rakes required to mix concrete and move mulch

3,000+ – number of volunteers who will participate in the playspace builds

25,000+ – number of hours the volunteers will contribute to the projects

25,000+ – square feet of playspace built in California during the projects

36,000+ – cubic feet of mulch needed for the playgrounds

75,000+ – number of children who will use the playspaces

180,000+ – pounds of concrete mixed by hand to build the playspaces

Build sites: Eureka, Lakeside, Los Angeles, Modesto, North Shore, Oakland, Redding, San Bernardino, Santa Ana, Watsonville
